RECEIVED

JUN 28 1999

FEDERAL COMMUNICATIONS COMMISSION
OFFICE OF THE SECRETARY

COMMENTS

Olvie E. Sisk, by counsel and pursuant to Section 1.415 of the FCC's Rules, hereby submits his comments in support of the *Notice of Proposed Rule Making*, DA 99-867, released May 7, 1999 ("*NPRM*"), in the above-captioned proceeding, wherein the Commission proposes the allotment of Channel 254A to North Tunica, Mississippi, as that community's first local aural transmission service. In support thereof, the following is stated:

1. The *NPRM* was initiated in response to a Petition for Rulemaking filed by Fred R. Flinn. The proposed allotment requires a site restriction 9.4 kilometers (5.8 miles) southwest. The FCC's spacing and principal community coverage requirements can be satisfied from the proposed reference coordinates.

2. If the FCC should adopt its proposal and allot Channel 254A to North Tunica, Mississippi, Mr. Sisk will apply for a construction permit for a new FM station on Channel 254A at North Tunica, Mississippi, and if his application is granted, he will promptly construct the new broadcast facility to provide North Tunica with its first local aural transmission service.

Therefore, the proposed allotment of Channel 254A to North Tunica, Mississippi, would serve the public interest.

WHEREFORE, in light of the foregoing, Olvie E. Sisk respectfully requests that Channel 254A be allotted to North Tunica, Mississippi, as that community's first local aural transmission service.

Respectfully submitted,

OLVIE E. SISK
